

Medical Attachments is a web-based application in the Availity® Provider Portal that allows providers to receive and respond electronically to medical requests from Blue Cross and Blue Shield of Illinois (BCBSIL).

BCBSIL only accepts medical records through the Availity Portal in response to requests for additional medical record documentation used for quality and risk adjustment purposes.

Administrator Instructions: Select **Availity Enrollment Center > Medical Attachments Setup**, then enter required data.

1. Receiving Medical Record Requests from BCBSIL via Availity

New medical record requests from BCBSIL will display in the Availity **Notification Center**

To view and manage requests, select the **Claims & Payments** tab in Availity > **Medical Attachments > Requests**

- **Work Queue** – manage requests from BCBSIL
- **In Progress** – check status of documentation submitted
- **History** – view documentation submitted within 90 days
- **Archive** – view documentation submitted 91 days – 2 years ago

Quick Tips:

- Files can be up to 10MB
- Accept files formatted in TIFF (.tif), JPEG (.jpg) or PDF (.pdf)

2. Submitting Medical Records to BCBSIL via Availity

Select **Requests > Work Queue** to view requests color-coded from oldest to newest

In the **Attachment(s) Requested** section, click plus icon (+) and review the request

Click **Send Attachment(s)** and complete the form that displays

Select plus sign icon (+)

Locate, open, and attach documentation, then click **Submit**

Quick Tip:

- If uploading multiple files for the same patient, do not click **Send Attachments** until all applicable files have been loaded.

3. Viewing Medical Record Request & Submission History

Select the drop-down arrow next to **History** and select one of the below status options:

The screenshot shows a navigation bar with tabs for 'Requests', 'Send Attachment', and 'Setup'. Below this are four buttons: 'Work Queue' with a count of 2, 'In Progress' with a count of 0, 'History' with a count of 5 and a dropdown arrow, and 'Archive' with a dropdown arrow. A dropdown menu is open under 'History', listing four status options with checkboxes and counts: 'Accepted' (5), 'Rejected' (0), 'Expired' (0), and 'Cancelled' (0).

- **Accepted** – BCBSIL accepted attached documentation
- **Rejected** – BCBSIL rejected attachment documentation
- **Expired** – user missed deadline
- **Cancelled** – BCBSIL cancelled the request

Quick Tip:

- To view accepted attachments, click **Accepted by Payer > Download**
- Availity saves your medical records in the **History** tab up to 90 days from the current date
- Medical records submitted 91 days – 2 years ago are listed in the **Archive** tab

Frequently Asked Questions

How do I determine which medical record request is the oldest?

In the **Work Queue** tab, requests are ordered and color-coded from oldest to newest. Providers may also sort the work queue by a specific field in ascending and descending order.

Can I voluntarily submit medical records to BCBSIL via Availity, even though BCBSIL has not requested medical records from the provider?

At this time, electronic medical record request and submission process are not available for medical record requests resulting from utilization review activities or the claims adjudication process. BCBSIL only accepts medical records through the Availity Portal in response to requests for additional medical record documentation used for quality and risk adjustment purposes.

What if I do not see the Medical Attachments feature in my Availity account?

Your Availity account administrator must delegate **Medical Attachments** access to users in the **Maintain User** section.

To determine who your administrator is select **My Dashboard** on the Availity home page > **My Account** > **My Administrators**.
